- Classes are listed alphabetically **BY PREFIX**. Check the index on page 2 to find the right prefix.
- On the title line, the **name of the course** appears along with any **(P) pre-requisites** or **(C) co-requisites**. Be sure you meet any course prerequisites. (You must provide written documentation to the Registration and Records Office any prerequisites completed at another college - i.e. grade report, transcript, etc.)
- Subsequent lines show the **synonym, course number/section**. The synonym is used for online registration. When registering, write the entire course/section number on your registration form. Be sure the number you list matches the time you want to take the course.

**WHEN SELECTING A LAB, YOU MUST ALSO REGISTER FOR A CORRESPONDING LECTURE.** Course numbers with an "L" are Labs. Have alternate courses ready in case sections you have chosen are not available.

- The name of the **instructor** follows the course number/section.
- Building** and **Room numbers** may be referenced on the campus maps' pages.
- This is followed by **day designations** when class meets which are:  
M = Monday, T = Tuesday, W = Wednesday,  
R = Thursday, F = Friday, S = Saturday, U = Sunday
- The **beginning and ending times** are shown next. If there are no times listed, the course is "by arrangement." See the instructor for information. When registering, be careful you have no class conflicts.
- Beginning and ending dates** are given. End dates may or may not include final examinations.
- The **Refund Drop Date** is the last day students can drop a class and still receive a refund. If students owe money to the College, they cannot drop/add a class online. If a class is dropped after this refund drop date, no refund will be given.
- Credit hours** are listed last.
- Instructor's approval/signature will be required if you register after a course has met once.

**\*Hybrid courses** provide the opportunity to incorporate both F2F (face-to-face) interaction and online learning. The hybrid course requires the students to meet F2F at regularly scheduled times for 50% of the course time or more. 50% of the course or less can be in the online environment which can include but not limited to threaded-discussions, quizzes, assessments, and collaboration.

Hybrid courses teach all course objectives, are taught with the same rigor, and require the same amount of time to complete course requirements as a traditionally taught class, while reducing the time required attending class on campus.

## DROP OR WITHDRAW from a credit class

>To drop or withdraw from classes, you must submit an **"Official Drop/Add Form For Credit Classes"** to the Registration and Records Office

**OR**

>Drop the class using WebAdvisor.

Failure to attend classes DOES NOT constitute a drop or withdrawal. Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund.

Failure to attend classes does not absolve the student of making complete payment for all tuition and fees associated with the student's registration.

## REFUND POLICY FOR CREDIT CLASSES

If you decide to discontinue your studies at SCC, refunds are prorated according to the refund formula.

$$\frac{(\text{DROP DATE}) - (\text{COURSE START DATE})}{(\text{COURSE END DATE}) - (\text{COURSE START DATE})} = \% \text{ ELAPSED}$$

The drop date will be the date you provide an **"Official Drop/Add Form"** to the Registration & Records office or Drop using WebAdvisor.

All days are included in the computation, including Saturdays, Sundays, holidays and week days. Students are entitled to a refund based on the Credit Class Refund Table.

CREDIT CLASS REFUND TABLE	
% elapsed	% of refund
0.000 - 12.499	.100
12.5 and over	.0

- Student activity fees are refundable only during the tuition refund period.
- Refunds are based on the **date the Official Drop Form is submitted** to the Registration and Records office.
- Refunds will not be granted after deadlines have passed.
- Refunds for classes cancelled by the College are automatically processed and do not require a drop form.
- Refund checks are mailed to the student's current address and usually take 3 to 4 weeks.
- Students who receive federal financial aid are subject to federal refund calculations.
- Students who register after the first class meeting and drop a course are subject to a refund based on the beginning dates of the course, not when they register.

Detailed information on tuition and refunds is published in the **SCC College Catalog**.

### NON-CREDIT CLASS REFUNDS

100% refund if dropped the day before class starts or earlier. 0% refund if the class is dropped the day the class starts or later.

## DROPPING a course using WebAdvisor

To **drop** a class you are **currently registered for/enrolled in**:

1. **Log In** to WebAdvisor by linking to it from [thehub.southeast.edu](http://thehub.southeast.edu). (for more information on logging into WebAdvisor, see the back cover)
2. **Select "Students."**

6. A new **Registration Results** screen should appear showing the **status** of the class you selected as **"Dropped from this section."**

\*\*\*If you owe the College money, you cannot drop or add classes online.\*\*\*

## WAIT-LISTING a course

### Managing My Waitlist

When a course section reaches its maximum capacity, it is possible for students to add themselves to a waitlist via WebAdvisor.

### Email Address

Students must have a current e-mail address on file at Southeast Community College, before adding themselves to a waitlist. To verify the email address is accurate, go to WebAdvisor and from the main menu select: **Student ->Address Change**. Email addresses are listed at the bottom of the page. If the address is incorrect, make the necessary changes and click->**Submit**. Corrections are sent directly to the registration office, however, are not immediately seen on WebAdvisor.

### Waitlisting a course

Students can add or remove themselves from a course waitlist through WebAdvisor. After selecting a class which is full, on the registration screen select **Action->Waitlist->Submit**.

**Note:** Students cannot waitlist themselves for classes if any of the following conditions apply: prerequisites are not complete, the student is currently registered for another section of the class or tuition is owed to the college. Also, students cannot waitlist themselves for multiple sections of the same course.

### Permission to register

When there is an opening in a class, the first student on the waitlist will be notified via email. The student can register for the section on-line by going to **WebAdvisor->Students->Registration->Manage My Waitlist->Action-> Register->Submit**.

### One (1) day to register

When given Permission to Register, the student will have **1 day to register**. At the end of this time, if a student fails to register for the designated class, the student is removed from the waitlist and the next student is notified.

### Removal from the Waitlist

Go to **WebAdvisor->Students->Registration->Manage My Waitlist->Action-> Remove->Submit**.

### Tuition

Students are not charged tuition for courses in which they are waitlisted. Tuition charges will not be posted to the student account until the registration process is complete.

### Dates

Last day to add your name to a waitlist for **FALL 2011** is **OCT 3**. See page three for a complete list of registration and waitlist dates.

**\*\*ALL WAITLISTS ARE REMOVED ON DAY 2 OF EACH TERM.**

## PAYMENT OPTIONS

### • WEB ADVISOR - online payments

Payment can be made with a MasterCard, Visa or Discover credit card. This option will allow you to see the detailed charges and payments associated with your account.

### • "FACTS" eCashier Monthly Payment Plan

Students may enroll in the "FACTS" eCashier monthly payment plan. "FACTS" eCashier provides an option for budgeting tuition and other educational expenses. Contact the campus Business Office for a "FACTS" eCashier brochure which includes a copy of the Automatic Tuition Payment Agreement.

• **On campus** - payments can be made at any campus business office during regular business hours. SCC accepts cash, checks, Visa, MasterCard and Discover.

• **Third-party payment** - A company or other entity may have agreed to pay for a student's tuition and fees. Proper authorization paperwork must be filed with the College on a timely basis. The student is always responsible for any amount not paid by the third party.

## APPLYING FOR FINANCIAL AID

Complete the **Free Application for Federal Student Aid (FAFSA)** form online or obtain a paper copy. Fill it out carefully and completely and mail it as early as possible. Important: make sure you have listed the SCC campus you will be attending on the form.

A student may qualify for financial aid (PELL, SEOG, Student Loans, Scholarships, etc.). The student is responsible for completing all required forms. If the information is not accurate or is incomplete, aid may be delayed or denied.

## FINANCIAL AID AWARDS

Southeast Community College issues an online Financial Aid award letter which informs students of the financial aid they are eligible to receive. (Your WebAdvisor account under Financial Aid. Password required)

Priority filing deadline dates have been established to prevent delays in processing Financial Aid awards. Review of documents received begins immediately. Complete information will be processed and an online Financial Aid award letter will be generated indicating financial aid eligibility for the academic year.

Please note that at the federal level, processing time for the FAFSA will be approximately three to six weeks.

Scholarships are awarded **four** times a year for new and returning students. Available scholarships are posted on campus, in the Financial Aid Office and on the SCC Web site. Applicants are selected on criteria specified by the scholarship donors. Please check for eligibility requirements and deadlines. Scholarship applications will be available approximately one month prior to deadlines.

## DID YOU KNOW?

**Drop/Add/Withdrawal**

Students may initiate a drop or withdrawal from a class/es, prior to the deadline for dropping classes.

To drop or withdraw from classes, a student must

- submit an "Official Drop/Add Form For Credit Classes" to the Registration and Records Office located in the Student Services Office OR
- drop the class using WebAdvisor. (if you owe the College money, you cannot drop a class online.)

**FAILURE TO ATTEND CLASSES**  
**DOES NOT CONSTITUTE A DROP OR WITHDRAWAL.**

Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund. **Failure to attend classes does not absolve the student from making complete payment for all tuition and fees associated with the student's registration.**

**"NO SHOW" STUDENTS:**

- Under federal rules, the College cannot pay financial aid to students who never attend class. Financial aid will not be distributed to students who have been reported as never having attended class ("No Show" students).
- "No Show" students will be billed and held responsible for full payment of the tuition and fees for the classes they are registered for because the "no show" student did not drop the class with an "Official Drop/Add Form For Credit Classes" within the designated refund period. (See "Student-Initiated Drop or Withdrawal")
- All students with a "hold" on their account (including "No Show" Students) will not be allowed to register for classes for the next term until the account is paid in full.

**LAST DATE A STUDENT IS ALLOWED TO DROP A CREDIT CLASS AND GET A REFUND:**

The student is entitled to a 100% refund for any credit class officially dropped prior to 12.499% of the time elapsed since the first day of the start of class, including Saturdays, Sundays, holidays and weekdays.

"NO" refund is allowed after 12.500% of time has elapsed since the first day of the start of class, including Saturdays, Sundays, holidays and weekdays. A student's transcript will not show any registration data if the student drops or withdraws prior to 12.499% of the time elapsed since the first day of the start of class, including Saturdays, Sundays, holidays and weekdays.

Refunds are not automatic. To obtain a refund or adjustment on your account, you must

- drop the class using WebAdvisor **or**

- submit an "Official Drop/Add Form For Credit Classes" prior to the deadline for dropping and receiving a refund. Refunds will not be granted after these deadlines.

Refunds for classes cancelled by the College are automatically processed and students are not required to submit a drop or withdrawal form for any classes cancelled by the College.

Refund checks are mailed to the student's current address. Refund checks usually take 2-3 weeks to process after notification. Please do not contact the College to inquire about a refund prior to the third week deadline.

To determine a student's eligibility for a refund, all 12.499% and 12.500% time elapsed calculations are automatically calculated by the College computer and based on calendar days from the first day of the start of class, including Saturdays, Sundays, holidays and weekdays.

For more information please see the College Catalog.
