HOW TO READ THE SCHEDULE OF CLASSES

- Classes are listed **alphabetically BY PREFIX**. Check the index on page 2 to find the right prefix.
- On the title line, the name of the course appears along with any (P) pre-requisites or (C) co-requisites. Be sure you meet any course prerequisites. (You must provide written documentation to the Registration and Records Office any prerequisites completed at another college - i.e. grade report, transcript, etc.)
- Subsequent lines show the synonym, course number/section. The synonym is used for online registration. When registering, write the entire course/section number on your registration form. Be sure the number you list matches the time you want to take the course.
- The name of the instructor follows the course number/section.
- Building and Room numbers may be referenced on the campus maps' pages.
- This is followed by day designations when class meets which are:
M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday, S = Saturday, U = Sunday
- The beginning and ending times are shown next. If there are no times listed, the course is "by arrangement." See the instructor for information. When registering, be careful you have no class conflicts.
- Beginning and ending dates are given. End dates may or may not include final examinations.
- The Refund Drop Date is the last day students can drop a class and still receive a refund. If students owe money to the College, they cannot drop/add a class online. If a class is dropped after this refund drop date, no refund will be given.
- Credit hours are listed last.
- Instructor's approval/signature will be required if you register after a course has met once.

****Hybrid courses** provide the opportunity to incorporate both F2F (face-to-face) interaction and online learning. The hybrid course requires the students to meet F2F at regularly scheduled times for 50% of the course time or more. 50% of the course or less can be in the online environment which can include but not limited to threaded-discussions, quizzes, assessments, and collaboration.

Hybrid courses teach all course objectives, are taught with the same rigor, and require the same amount of time to complete course requirements as a traditionally taught class, while reducing the time required attending class on campus.

Login to online classes at <https://thehub.southeast.edu/default.asp>

When you access the Hub from home or when you are not on the SCC network, you will need to enter the following for your **user name: flxxxx** where F is your first name initial and L is your last name initial and xxxx is your WebAdvisor ID number. Then enter your **WebAdvisor password**.

WAIT-LISTING A COURSE

Managing My Waitlist

When a course section reaches its maximum capacity, it is possible for students to add themselves to a waitlist via WebAdvisor.

Email Address

Students must have a current email address on file at Southeast Community College, before adding themselves to a waitlist. To verify the email address is accurate, go to WebAdvisor and from the main menu select: Student -> Address Change. Email addresses are listed at the bottom of the page. If the address is incorrect, make the necessary changes and click->Submit. Corrections are sent directly to the registration office, however, are not immediately seen on WebAdvisor.

Waitlisting a course

Students can add or remove themselves from a course waitlist through WebAdvisor. After selecting a class which is full, on the registration screen select Action->Waitlist->Submit.

Note: Students cannot waitlist themselves for classes if any of the following conditions apply: prerequisites are not complete, the student is currently registered for another section of the class or tuition is owed to the college. Also, students cannot waitlist themselves for multiple sections of the same course.

Permission to register

When there is an opening in a class, the first student on the waitlist will be notified via email. The student can register for the section on-line by going to WebAdvisor->Students->Registration->Manage My Waitlist->Action->Register->Submit.

One (1) day to register

When given Permission to Register, the student will have 1 day to register. At the end of this time, if a student fails to register for the designated class, the student is removed from the waitlist and the next student is notified.

Removal from the Waitlist

Go to WebAdvisor->Students->Registration->Manage My Waitlist->Action-> Remove->Submit.

Tuition

Students are not charged tuition for courses in which they are waitlisted. Tuition charges will not be posted to the student account until the registration process is complete.

Dates

Last day to add your name to a waitlist for **WINTER 2012** is **JANUARY 4**. See page three for a complete list of registration and waitlist dates.

**ALL WAITLISTS ARE REMOVED ON DAY 2 OF EACH TERM.

DROP OR WITHDRAW FROM A CREDIT CLASS

>To drop or withdraw from classes, you must submit an "Official Drop/Add Form For Credit Classes" to the Registration and Records Office

OR

>Drop the class using WebAdvisor.

Failure to attend classes DOES NOT constitute a drop or withdrawal. Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund.

Failure to attend classes does not absolve the student of making complete payment for all tuition and fees associated with the student's registration.

REFUND POLICY FOR CREDIT CLASSES

If you decide to discontinue your studies at SCC, refunds are prorated according to the refund formula.

$$\frac{(\text{DROP DATE}) - (\text{COURSE START DATE})}{(\text{COURSE END DATE}) - (\text{COURSE START DATE})} = \% \text{ ELAPSED}$$

The drop date will be the date you provide an "Official Drop/Add Form" to the Registration & Records office or Drop using WebAdvisor.

All days are included in the computation, including Saturdays, Sundays, holidays and week days. Students are entitled to a refund based on the Credit Class Refund Table.

CREDIT CLASS REFUND TABLE

| % elapsed | % of refund |
|----------------|-------------|
| 0.000 - 12.499 | 100 |
| 12.5 and over | 0 |

- Student activity fees are refundable only during the tuition refund period.
- Refunds are based on the date the Official Drop Form is submitted to the Registration and Records office.
- Refunds will not be granted after deadlines have passed.
- Refunds for classes cancelled by the College are automatically processed and do not require a drop form.
- Refund checks are mailed to the student's current address and usually take 3 to 4 weeks.
- Students who receive federal financial aid are subject to federal refund calculations.
- Students who register after the first class meeting and drop a course are subject to a refund based on the beginning dates of the course, not when they register.

Detailed information on tuition and refunds is published in the SCC College Catalog.

NON-CREDIT CLASS REFUNDS

100% refund if dropped the day before class starts or earlier. 0% refund if the class is dropped the day the class starts or later.

FINANCIAL AID AWARDS

DID YOU KNOW?

FAILURE TO ATTEND CLASSES DOES NOT CONSTITUTE A DROP OR WITHDRAWAL.

Students must submit an official drop form prior to the refund deadline to be eligible for a tuition refund. Failure to attend classes does not absolve the student from making complete payment for all tuition and fees associated with the student's registration.

"NO SHOW" STUDENTS:

1. Under federal rules, the College cannot pay financial aid to students who never attend class. Financial aid will not be distributed to students who have been reported as never having attended class ("No Show" students).
2. "No Show" students will be billed and held responsible for full payment of the tuition and fees for the classes they are registered for because the "no show" student did not drop the class with an "Official Drop/Add Form For Credit Classes" within the designated refund period. BIOS - BIOSCIENCE

For these courses, students must register for a lab and lecture or they will be dropped. When registering Online, register for the lecture first, then the lab. (Labs have an L following the course number.) Lectures and corresponding labs are listed together. (i.e. BE lecture/BE lab, LN lecture/LN lab, ES lecture/ES lab.) **Students must register for the lecture/lab at the same location.** When registering for WEB classes, students do NOT need to register for a lab. Labs are included within the WB sections only.

For these courses, students must register for a lab and lecture or they will be dropped. When registering online, register for the lecture first, then the lab. (labs have an L following the course number.) Lectures and corresponding labs are listed together. (i.e. BE lecture/BE lab, LN lecture/LN lab, ES lecture/ES lab.)
Students must register for the lecture/lab at the same location.
